

Table with 5 main sections: 'GENERAL INFORMATION', 'TECHNICAL SPECIFICATIONS', 'ECONOMICS', 'ADMINISTRATIVE', and 'ENVIRONMENTAL'. Each section contains various sub-sections and details related to the project.

Main data table with 47 columns. It lists project items categorized by 'ITEM', 'DESCRIPTION', 'ESTIMATED QUANTITY', 'UNIT', 'UNIT PRICE', 'TOTAL PRICE', and 'ESTIMATED DURATION'. The 'DESCRIPTION' column includes detailed technical specifications, materials, and construction methods. The 'ESTIMATED QUANTITY' and 'UNIT PRICE' columns provide numerical values for each item. The 'TOTAL PRICE' column shows the calculated cost for each item. The 'ESTIMATED DURATION' column indicates the planned time for each activity. The table is organized into several distinct blocks of data, with some items having specific notes or remarks in the description field.
